**CRITERIA OF DELETION:**

If the Client requests the complete removal of information, “removal” is to be interpreted as a complete lack of the video content on the given URL page. When the Task is completed, the Company will send evidence of deletion (screenshots, photos, links, etc.) to the Client. The Client must confirm that the criteria of deletion have been met. All changes to these criteria are to be agreed upon in writing.

**WORK ORDER:**

If the client gave the project to the company, the client undertakes not to hire anyone else to complete the project, only the company has the right to complete the project by agreed client and company deadline. If the work will be done by another team or company, at the time of a work period agreed between the client and the company, the client shall pay the company compensation in the amount of \_\_\_\_\_.

**GUARANTEES:**

REPUTATION AMERICA LLC give the "lifetime guarantee" for this projects, if the content or links will back after deletion job, the company undertakes to provide the deletion service again for free.

**FORMAT:**

The Services are listed below in the following format: "Link, Task, Price, Time."

The "**Link(s)**" specifies the URL of the online record.

The "**Task(s)**" specifies the type of work that is to be done on the Link.

The "**Price**" specifies the USD amount that will be paid to the Company by the Client in total for this Link. (A complete breakdown of payment times and amounts is provided in the Compensation addendum)

The "**Time**" specifies the time, in calendar days, allotted for the completion of the Task(s) associated with the Link. (The first calendar day is generally considered to be the first business day after pre-payment is received, if other arrangements are made, they must be in writing.)
